

Learning Lab Writing Workshops on the Main Campus Summer I 2012

This semester our schedule includes workshops in Summary Writing, Essay Writing, Research Paper Writing, Reading Strategies, Paragraph Development, Grammar and Punctuation, Sentence Skills, and Vocabulary Building. Students may attend as many workshops as they like, as often as they like. **Workshops begin the week of May 21st. No sign-up is required.** Join in **any** week, but regular attendance can pay off!! You may attend workshops in addition to making one-on-one tutoring appointments each week in the Central Learning Lab, B1-28.
