Course Frontpage Text

1. Login to WebStudy and click Administration.

2. Select the course to edit. If you have a large number of courses, you may wish to select the desired session (e.g., Fall 2004, Spring 2005) before selecting the course.

3. Scroll to the Course Frontpage section and make desired selections. A welcome message or initial instructions can be entered in the text box.

4. Scroll to the bottom of the page and click Post It.
