

THIS WEEK IN THE TEACHING CENTER

Monday, April 19 to Friday, April 23 2010

Please Join Us for the Following Events This Week:

Tuesday, April 20

3:30 to 5:00

Scholarship of Teaching and Learning (SoTL)

Many define the Scholarship of Teaching and Learning (SoTL) as a growing movement in higher education, grounded in the notion that teaching is a serious scholarly endeavor and that faculty inquiry into student learning, shared publicly, will increase our understanding of how students learn and how best to help them learn. The SoTL group at CCP takes this definition one step further: we believe that it is quite good fun! Our sessions over this academic year are designed to give faculty the support they need to engage in their own investigations and to share their findings. If you are interested in publication and like to do research, you will find us a bunch of like-minded blokes.
