Components of Final Grade:

60% - Four Tests

12% - Three Forums

14% - Four “You Be The Judge” cases

14% - Intro, & Three Legal Research Assignments

Dynamics of Course:

1. Read each chapter that is assigned. As you are reading the chapter, review the chapter checklist to be sure that you understand the relevant information in the chapter.
2. After finishing the reading of the chapters with the checklist, take the tests as scheduled.
3. Move to next chapter and repeat steps 1 and 2.
4. Complete the Forums and Assignments as scheduled.

EXTRA CREDIT:

You may take interactive quizzes for extra credit. Follow the instructions in the first week of the timeline. When you click the tab, it takes you to a web page with an interactive quiz designed by the authors of the text. Answer the questions and e-mail to me at ldangelis@ccp.edu for each quiz.

Take if you want for practice before the tests. Or take the quizzes to receive extra credit. For each chapter, you may take the interactive extra credit quiz only once and submit score to me to have counted towards extra credit. For extra credit to count towards a change of

grade, you must complete at least ten of the quizzes. The average of the interactive quizzes can be used to replace your lowest test score.

LATE WORK:

Work must be completed by end of the week for which it is scheduled. If it is turned in later in the next week, there may be a deduction in your grade for that assignment. SEE TIMELINE FOR DUE DATES AND WORK DUE.
